Declaration Under 37 CFR 1.132

We, Yong Sun and Tatsuro Miyasato do hereby declare that:

1. This declaration is to establish that the publication cited by the Examiner: "Dielectric Loss in C_{60} Films Observed by Direct Coupling with Electromagnetic Fields,"(Abstract), Kyushu Institute of Technology, Vol.49, No.2, page 582, dated March 2002 (document identifier 29p-YL-17), on which we are co-authors, describes our own work.

2. We are the joint inventors in the above identified United States patent application.

3. K. Kirimoto and Y. Yamasaki, who are listed as co-authors of the publication, are not inventors of the present application. Both Messrs. Kirimoto and Yamasaki were students at the time of our invention. They were merely working under our direction.

4. We hereby declare that all statements made herein of our own knowledge are true and that all statements made on information and belief are believed to be true; and further that those statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.
